

Now offering Coronary CT Monday – Friday

Service Availability

Starting June 1, 2026, WestHealth CT Imaging will offer Cardiac Coronary CT studies for Emergency Department patients. Please note that due to ongoing staffing challenges, the service may not be available on certain dates.

Monday through Friday, Emergency Department patients can be scheduled for Cardiac Coronary CT exams at either 11:30 AM or between 2:30 PM and 3:00 PM.

Exam Orders and Dual-Read Guidelines

CT Coronaries and Triple Rule-Out exams will continue to be distinct from Morphology studies.
